

Subject: Help Shape the Future of Sheffield Village—Your Input Matters!

Dear Residents, Business Owners, and Community Members,

Sheffield Village is at a pivotal moment in shaping its future, and we want your voice to be at the center of that vision. As we embark on the development of a comprehensive plan, your insights are crucial in guiding decisions on land use and development, transportation and infrastructure, parks and recreation, open spaces and natural areas, as well as business and economic growth.

This plan is not designed to reflect the vision of Mayor Markovich, the City Council, or Mapped Out. Instead, it is intended to capture the collective aspirations of the people who live, work, and invest in Sheffield Village. Your perspectives will help shape the direction of our community for the next 10, to 20 years or so.

To ensure your voice is heard, we invite you to complete a community survey that will help us understand your priorities and goals for Sheffield's future. The survey is accessible online at <https://sheffieldvillage.maps.arcgis.com> and can also be accessed via the QR Code Below:

Additionally, it is available on social media and the Village website.

Your input will play an essential role in crafting a vision that reflects the needs and values of our community. We encourage you to participate and share the survey with your neighbors, colleagues, and friends—because Sheffield Village's future is best shaped together.

After the survey has closed the results will be summarized and presented at a future community forum to be scheduled later this coming summer.

In the meantime, thank you for your time and commitment to making Sheffield a "Premier" Village.

Sincerely,

Bob Markovich
Mayor
