Donation drive for the lorain county dog kennels

Starting May 1st 2024 The Sheffield village police will be doing a donation drive to donate the necessities to help the pups in need. The Lorain County Dog Kennel is a not for profit organization that runs on donations from the community. The Lorain county police departments rely on the kennels everyday. They are the ones that come out rain or shine to provide shelter to these pups that get lost or dumped on the road. So as a thank you we are collecting donations to do our part and help. During this time we will be accepting physical donations. Starting May 1st there will be a drop off box in the lobby of the department. 4340 Colorado ave Sheffield Village Oh 44054
