

Village of Sheffield
Attn: Mayor Markovich
4340 Colorado Avenue
Sheffield Village, OH 44054

Mayor Markovich,

It has been brought to my attention that a keying error was made on the invoicing of Sheffield Village residents for the most recent quarterly invoice.

The Village has firm pricing of \$77.05 per quarter for the 95 gallon Solid Waste cart/64 gallon Recycle cart service thru July 31, 2026.

Residents should pay the standard rate of \$77.05 for the quarter and disregard the increased rate on the invoice. If a resident has already paid the higher rate, credits will be issued on the next billing.

We apologize for the error.

Daniel Given
Manager, Municipal Sales
